

community

collaboration

Since it began in 1873, the Concord Free Public Library has operated through a **partnership** between the **Concord Free Public Library Corporation** and the **Town of Concord**. This unique partnership has given the community a world-class library whose doors are open to the citizens of Concord and the wider global community interested in Concord's history, culture, and heritage. This longstanding partnership ensures the Library's ability to meet patrons' needs *today*, and as we plan for *the future*.

As stewards of the Library, the Library Corporation owns the buildings, grounds, and special collections and is responsible for preserving, maintaining, protecting, and improving these invaluable town assets.

Your gift to the Annual Appeal supports the Library Corporation in this important mission.
