Circulation Policy

The Concord Free Public Library is a member of the Minuteman Library Network (MLN). A library card entitles patrons to borrow materials from Concord’s Main Library and Fowler Branch Library as well as 41 other public and academic libraries.

Library Card Policy

Massachusetts residents may obtain a library card by presenting photo identification and confirmation of current address in accordance with MLN identification requirements. Children may obtain a library card in Concord when they are able to write their first and last name on the application form. The child’s parent or legal guardian must be present with the child to sign the application form, confirm their name, and address with a valid ID. Parents or legal guardians are responsible for any charges incurred for materials borrowed by their minor children (age 18 and under). The library card application form may also be downloaded from our website, filled out in advance and brought to the library with valid ID.

As a courtesy, new Concord residents without required ID can be given a library card with a 2 – item limit pending address verification.

As members of the Minuteman Library Network, Concord adheres to the Minuteman policy of issuing only one library account per person for use at all public libraries in the network.

Out-of-state residents, who meet the following requirements, may be issued a library card with sufficient identification: work or attend school in Massachusetts; own property in Massachusetts; are temporarily living in Massachusetts for more than 2 months. Out of state residents must provide identification showing their home/permanent address. Students must verify their status with school ID. Temporary residents such as Au pairs must provide proof of temporary residence.

Patron checkout with and without ID

Patrons must present their physical or digital library card or valid ID when checking out materials. Patrons must notify the library immediately of loss of card or any changes in address, telephone or email.
As a courtesy for Concord residents who do not have either their card or ID with them, verification of information will be made through additional means.

Smartphones

The library card barcode can be used in digital version through the MLN mobile app Patrons should visit their device’s app store to download the Minuteman Library Network app.

**Loan Periods, Renewals, Limits, Notices and Late Fees**

Fines on overdue items from other Minuteman Libraries returned to Concord will be collected at the lending library rates. Fines owed to public libraries outside of the Minuteman Library Network must be resolved with the owning library; with the exception of ILL items borrowed through Concord Free Public Library.

Courtesy reminders are emailed 2 days before an item is due provided the patron has a valid email address in their library account. The 1st late notice is emailed 2 weeks after an item is due. A bill for the replacement cost of an item is sent at 30 days overdue and a final notice, in print only, is mailed after an item is 3 months overdue.

**Waiving Fines**

Staff will work with patrons to explain charges and resolve disputes. Circumstances may warrant staff to waive fines for good cause according to the following guidelines: Staff can waive amounts up to $5.00; Circulation Supervisor and Branch Librarian up to $25; Circulation Supervisor and Branch Librarian will refer requests for larger amounts to the Library Director or his/her designee.

My Account
In order to log into My Account enter the library card number, as well as a password. Once the patron is in their account they can also, if desired, create a Username to enter instead of the library card number. This will allow patrons to:

- Place requests
- Renew items
- Pay fines
- Freeze requests
- Cancel requests
- Modify personal information (i.e. create Username, change email and reserve pick-up location)
- Keep a list of what you’ve borrowed (Link to “my reading history”)
- Arrange to receive text messages via your mobile phone to alert you in real time when reserved items are ready for pick up and to notify you when items are coming due within 2 days.
**Holds and Holds Pickup**
To place a hold on an item through the online catalog patrons need their library card number (or username) and password. Staff can also assist with placing holds at the library or by phone.

Only Concord residents can place a hold on DVDs added to the collection in the last three months.

Patrons will receive an email, text message or phone call when a hold is ready for pick-up. Holds will be held for seven days.

Held materials must be checked out on the library card of the borrower who has placed the hold.

Concord has open hold shelves for ease of pick up. Patrons may elect to create a pick up alias, which will print on the hold slip instead of their legal name. Please talk with the Circulation Department for more information.

Patrons may pick up holds for family members. Verification may be required.

**Renewals**
Most library materials are renewable (with some exceptions) as long as no other library patrons are waiting. You may renew items: online through your library account, in reply to text message, by phone (978-318-3301), or in person. The MLN auto-renew feature will automatically renew eligible items 2 days before the items are due. Items cannot be renewed if there are charges over $10 on the account.

**Returns**
Items should be returned at the Main or Fowler Branch Library’s Circulation Desks or at any of the Minuteman Library Network member libraries. Additional options for returns include: outside book drops located at the Main Library’s Sudbury Road entrance and at the Fowler Branch Library. Book drops at the Main Library are generally emptied before opening and one hour before closing and are emptied mid-day at the Fowler Library. Items placed in book drops after closing will be checked in the next business day.

**Homebound Services/Direct to You**
Direct to You delivery service is designed to help Concord residents who are temporarily or permanently homebound. The Library will deliver materials to you according to your individual requests. You can select books (including large print books), audio books, music CDs or DVDs. You will be contacted by a Library employee or volunteer assigned to work with you. That person will discuss your choices with you, deliver them and pick them up at an agreed upon time. If you or someone you know, could benefit from this service, please call the main library at 978-318-3301 and ask about Direct to You Home Delivery.
