

Creature Teachers

The Creature Teachers, a family owned business specializing in environmental and animal education, will give a presentation featuring live animals at the Concord Free Public Library, 129 Main Street, Concord on Wednesday, April 30 at 7 pm. The program, called The Nature of My Backyard, is for children age 6 years and up. The talk is being sponsored by the Friends of the Concord Free Public Library. For more information about this or any Library event, visit www.concordlibrary.org.
