Fowler Library Renovation Kick-Off Event with Gregory Maguire
Saturday, March 27 11AM

Everyone is invited to join us to kick-off the Campaign for the Concord Free Public Library @ Fowler on Saturday, March 27th at 11:00 AM. Come hear local author Gregory Maguire read the popular classic *Mike Mulligan and his Steam Shovel* by Virginia Lee Burton who would have been 101 this year. The plans for the Fowler Library will be available for public viewing and Trustees will be on hand to answer any questions. Children and their parents are welcome to attend but only the kids will get their own special hard hats.

The renovation of the Fowler Library in West Concord will begin in early May. The last day Fowler will be open will be Saturday, May 1st. The following week all the books and furniture will be moved to an off-site location for the duration of the 9-12 month construction period. Harvey Wheeler will host a small satellite Library that is scheduled to open on or about May 10th.
