What is Mango Languages?

Mango Languages is software you can access on your desktop computer or mobile device to learn and sharpen your skills with more than 70 languages. Mango Languages also offers English courses in 17 languages and specialty courses to help you learn about cultural differences when abroad.

How does it work?

Mango Languages adapts to your unique learning style, so you pick up on new vocabulary, intuit unfamiliar grammatical structure, and train your pronunciation, all while boosting your cultural IQ.

Mango has a number of features, including:

- ◆ Listening and reading activities
- ◆ Critical thinking exercises
- ◆ Memory-building exercises
- ◆ Grammar notes
- ◆ Culture notes

Mango Languages is limited to Concord residents only.

Setting up Mango Languages:

1. Go to www.concordlibrary.org.
2. Click on **Resources** at the top of the home page, then **Research Tools**.
3. On the Research Tools page, scroll down to the fourth paragraph that reads “For an alphabetical list of the databases, **click here**,” and click on the link.
4. Scroll down to **Mango Languages** and click on it.
5. You will be brought to the Mango Languages homepage. Select the “**Create Your Profile**” button.
6. Select a **language** you would like to start learning. You can always add more languages after you’ve signed up if you would prefer to learn another one.
7. After you have made your language selection, enter your **email address** and create a **password**, and select “**Sign Up**”.
8. Next you will be brought to a *Data Consent Form*. You must select “**I Agree**” to begin using Mango Languages.
9. Happy learning!

Setting up the Mango Languages app on your mobile device:

1. **Connect** to a wireless network.
2. **Search** for *Mango Languages* in the App Store (Apple devices) or Google Play Store (Android devices).
3. **Install** the app.
4. After installing, **open** the app.
5. At the welcome screen, select “**Sign In**.” NOTE: we do not recommend creating a profile in the app. If you have not yet created a profile, please see the previous panel “**Setting up Mango Languages**” for information on how to create your profile before downloading the app.
6. Enter your **email**, and select “**Next**.”
7. Enter the **password** your created when you created your profile, and select “**Sign In**.”

Using Mango Languages in Your Car

1. Connect to **Bluetooth**. Please note that the following instructions are only for Bluetooth-enabled cars.
2. In the Mango Languages app, **select** a language you would like to learn.
3. Select a **unit** and **chapter** within the unit—you must **download** all modules in the chapter. You can do this by select them one-by-one or selecting “**Download All**” at the bottom of the chapter.
4. If you want a more specialized course, **select “See Specialty Courses”** at the top right hand side of the app.
5. Hit the small module **Play** button within the chapter you want to learn.
6. Next, select the **settings menu** (looks like a small gear) in the bottom right hand corner of the app.
7. **Select “Auto Play.”**
8. **Play, skip, and go back** to previous slides using your usual car controls.
9. Listen and learn!
