Call 978-318-3358 or visit [www.concordlibrary.org](http://www.concordlibrary.org). Please check the Library website for more information.

The 2018 annual summer reading program Libraries Rock! is in full swing. Children and teens of all ages are encouraged to participate and will be awarded prizes as they accomplish their reading goals. A celebratory ice cream party will take place on August 15 at both library locations.

During your summer travels be sure to remember the Concord Free Public Library's digital collections. New collections with remote access include the Digital New York Times, 50 eMagazines as part of the familiar OverDrive digital media platform, and TumbleBooks, a collection of animated talking picture books for kids. In addition, the Library is pleased to offer Kanopy, a collection of more than 30,000 documentaries, classic, and independent films for streaming on demand. Please see the Library's website [www.concordlibrary.org](http://www.concordlibrary.org) for details about these new services.

In September, we will be offering both beginner and advanced sessions of Girls Who Code for girls in grades 6–12. Please contact me at [kcronin@concordma.gov](mailto:kcronin@concordma.gov) if you have a child who would like to participate and/or if you would like to serve as a volunteer facilitator.

Best wishes for a wonderful summer.

Kerry Cronin, Library Director
