Use of the Teen Lounge

The Concord Free Public Library's Teen Lounge is intended for use by students entering or enrolled in grades 6 – 12 and for individuals for whom that space is developmentally appropriate. Other individuals are welcome to visit the Teen Lounge briefly to retrieve books and other library materials or to request assistance from staff working in that space.

The Teen Lounge represents the Library's intention to ensure that Concord's middle and high school students have a place that is safe, relaxing, and responsive to their needs and interests. For this reason, use of the space, including the furniture and computers will be held exclusively for teenagers. The Teen Lounge is not an appropriate space for tutoring.
