

Year in Review (Minuteman Library Network Online Catalog):

Starting 12/26/2024, patrons that have opted in to Reading History are offered a fun summary of their borrowing activity called 2024 Year in Review.

The summary is a graphic slide show based about the patron's activity in the year like their busiest month, favorite author and formats, and more. The contents of the review are based on the saved Reading History available, and requires at least 5 titles saved in Reading History.
